**Math Level Up!**

## Want to propel your career even faster? Now you can at WCC.

This fall semester we are offering **MTH 4099** if you need or want to brush-up on your math skills, to increase your math level, and potentially complete your math requirements so you can finish your degree faster. This class is intended to give you the opportunity to increase your math placement test score. You will work using the **ALEKS** system to practice skills then retest with the support and guidance of a math instructor. You can work from anywhere, anytime, at your pace, and increase your level in as short as 5 hours. There is only a \$25.00 fee for this course.

**Take Advantage of This Opportunity! Enroll Today!**
