\* There are 6 40D cameras with WCC owned lenses available to PHO 111, students will need to have "40D" signed on their card. Only 1 (one) lens may be checked out at a time with the exception of Mamiya cameras whereas 2 lenses may be checked out if available.

Faculty wishing to reserve equipment should do so 1 week in advance.

Overnight check out means equipment must be returned the next day during any of the posted check out/return times.

Weekend check out means equipment checked out on last day of scheduled classes for the week and must be returned on Monday.
