**Nursing, Licensed Practical Nurse to Registered Nurse (APNURL)****Associate in Applied Science Degree****Program Effective Term: Winter 2025**

This Licensed Practical Nursing to Registered Nurse (LPN to RN) program prepares students for the National Council Licensure Examination for Registered Nursing (NCLEX-RN). Credit earned in the nursing program may transfer to a bachelor's degree (BSN) completion program. Learning opportunities are in the classroom, simulation lab, clinical setting, and community. Students will be prepared to succeed in a dynamic healthcare environment.

**Applying for Admission to the Program:**

A formal application and acceptance to the program is required. Application packets may be downloaded from WCC's Student Welcome Center, Health and Second Tier Program, information page: <https://www.wccnet.edu/start-now/degree/2nd-tier/>. Completed and signed applications must be submitted to the Health and Second Tier Admissions Office in the Student Welcome Center, located on the second floor of the Student Center Building during the dates indicated on the application.

**Requirement After Acceptance**

Upon acceptance, students must purchase an account from a college-designated vendor to obtain a criminal background check and to track their health records. The criminal background check and health records must be submitted to the designated vendor. Specific information regarding the college-designated vendor, health records, and deadline dates will be included in the program acceptance letter and/or provided at the mandatory orientation session.

**Program Admission Requirements:**

WCC uses a competitive admission process for high demand programs in health care. WCC offers this LPN to RN program option every Spring/Summer semester for LPNs who have successfully completed the admission requirements for this program and prerequisites for NUR 134. Please see the application packet for the number of seats available each term. There are multiple requirements that must be completed prior to submitting an application for admission. Students with two WCC NUR course failures or withdrawals in failing status are not eligible to apply to this program. Applicants are required to meet all admission criteria and will be ranked based on a point system. The best qualified applicants will be selected for admission to the program. Student residency will be a weighted factor in the process. Details regarding WCC's Admission to High Demand Programs policy including priority levels are on WCC's Board of Trustees page: <https://www.wccnet.edu/trustees/policies/2005/>. Details regarding WCC's point scales that are used to calculate points are on WCC's Student Welcome Center, Health and Second Tier Program, information page: <https://www.wccnet.edu/start-now/degree/2nd-tier/>.

Prerequisite and program requirements along with WCC's point system and scales are reviewed annually and subject to change. Students are expected to meet the prerequisite and program requirements of the catalog term for the semester in which they first begin the program.

**Requirements for application are:**

1. Admission to WCC.
2. All applicants are required to have a mandatory meeting with an advisor prior to applying to the program.
3. Verification of current, unrestricted LPN License.
4. Employment Verification Form showing at least 2,080 hours of employment within the last 2 years as a Licensed Practical Nurse or Licensed Vocational Nurse.
5. Program prerequisite courses:
  - a. MTH 160, MTH 160X\*, MTH 176, or a Math course numbered 176 or higher, with a minimum grade of C/2.0.
  - b. BIO 111 with a minimum grade of B-/2.7.
  - c. COM 101, COM 102 or COM 200 with a minimum grade of C/2.0.
  - d. ENG 111 with a minimum grade C/2.0.
6. Pass the current version of the Test of Essential Academic Skills, ATI-TEAS <https://www.wccnet.edu/start-now/degree/2nd-tier/teas.php>, by achieving the following minimum scores:\*\*  
Math proficiency - 60 percent or higher  
Reading proficiency - 70 percent or higher  
English and Language Usage proficiency - 60 percent or higher  
Science proficiency - 45 percent or higher
7. Technical Standards. WCC reserves the right to request, before or during the program, that students successfully demonstrate the specific physical and cognitive abilities related to the Nursing program.
8. Residency verification.

**Program Information Report**

\*Completion of MTH 160X does not raise the student's Academic Math Level to 3, which is required for at least one course or course prerequisite in this program.

\*\*If repeated TEAS test attempts are needed to meet required scores, the highest subject score from each attempt will be applied towards admission requirements. Students will be allowed a maximum of three (3) attempts within five (5) years to take the TEAS and achieve the minimum scores required.

**After Acceptance**

1. Students are required to submit health records, undergo drug screening and complete a full background check paid to an outside vendor selected by the College.
2. Students must request up to fourteen (14) WCC prior learning credits and pay associated fees for their current LPN license/experience as needed to reach a minimum 60 credit hours. Nursing faculty will work with students to determine the correct number of hours.
3. Students should be aware that the Michigan Board of Nursing may deny a license to an applicant who has been convicted of a crime or is addicted to drugs or alcohol.

**Continuing Eligibility Requirements:**

- Program courses are sequential and complemented with appropriate support courses.
- All Registered Nursing (NUR) courses must be completed with a minimum grade of C+/2.3 and all support courses to the program must be completed with a minimum grade of C/2.0 unless otherwise specified.
- Students are required to adhere to rules of the American Nursing Association (ANA) Nursing Code of Ethics.
- Additional criminal background checks may be conducted at any time during the program. Students may be required to have drug testing as well as additional criminal background checks and/or fingerprinting prior to the start of a clinical sequence as requested by specific clinical facilities. Any student found to have a positive drug screen for drugs prohibited by State of Michigan or Federal law (including marijuana) or controlled substances will be dismissed from the program. Failure to receive an acceptable criminal background/fingerprinting at any time, will result in dismissal from the program. Any cost, if indicated, for these checks is the responsibility of the student.
- Students in the Nursing (LPN to RN) program will be required to purchase special uniforms and supplies throughout the duration of the program.
- Students are required to submit health records annually while in the program.
- Students who are dismissed from the program may not be eligible to reapply to the program.

**Rationale for proposed changes or discontinuation:**

The LPN to RN Program (APNURL) began in Fall of 2019. Students completed Fall, Winter, and Fall semester. In order to allow the students to complete the program in 12 months (vs. 16 months), the decision was made to have a Spring/Summer start so students could begin in the summer and complete in three consecutive terms.

**Financial/staffing/equipment/space implications:**

The only potential financial implication would be if a FT faculty member opted to teach the course in Spring/Summer. This would result in overload per the contract. However, at this time, no FT faculty has expressed interest in teaching the course, therefore, a PT Instructor would be paid at the usual rate. We do have funding in our budget.

List departments that have been consulted regarding their use of this program. Second-tier admission is aware of the planned change.

Details regarding WCC's point scales that are used to calculate points are on WCC's Student Connection, Health and Second Tier Program, information page: <http://www.wccnet.edu/studentconnection/admissions/health-second-program/> .

Prerequisite and program requirements along with WCC's point system and scales are reviewed annually and subject to change. Students are expected to meet the prerequisite and program requirements of the catalog term for the semester in which they first begin the program.

**Requirements for application are:**

1. Admission to WCC.
2. All applicants are required to have a mandatory meeting with an advisor prior to applying to the program.
3. Verification of current, unrestricted LPN License.
4. Employment Verification Form showing at least 2,080 hours of employment within the last 2 years as a Licensed Practical Nurse or Licensed Vocational Nurse.
5. Program prerequisite courses:
  - a. MTH 160 or MTH 176 or a math course numbered 176 or higher, with a minimum grade of C/2.0.
  - b. BIO 111 with a minimum grade of B-/2.7.
  - c. COM 101, COM 102 or COM 200 with a minimum grade of C/2.0.
  - d. ENG 111 with a minimum grade C/2.0.
6. Pass the current version of the Test of Essential Academic Skills, ATI-TEAS <http://nursing.wccnet.edu/teas/>, by achieving the following minimum scores:
  - Math proficiency - 60 percent or higher
  - Reading proficiency - 70 percent or higher
  - English and Language Usage proficiency - 60 percent or higher
  - Science proficiency - 45 percent or higherIf repeated TEAS test attempts are needed to meet required scores, the highest subject score from each attempt will be applied towards admission requirements. Students are allowed three (3) attempts within a five (5) year period.
7. Signed Abilities Statement. WCC reserves the right to request, before or during the program, that students successfully demonstrate the specific physical and cognitive abilities related to the Nursing program.

**Program Information Report**

8. Residency verification.

After Acceptance

1. Students are required to submit health records, undergo drug screening and complete a full background check paid to an outside vendor selected by the College.
2. Students must request up to fourteen (14) WCC prior learning credits and pay associated fees for their current LPN license/experience as needed to reach a minimum 60 credit hours. Nursing faculty will work with students to determine the correct number of hours.
3. Students should be aware that the Michigan Board of Nursing may deny a license to an applicant who has been convicted of a crime or is addicted to drugs or alcohol.

**Continuing Eligibility Requirements:**

- Program courses are sequential and complemented with appropriate support courses.
- All Registered Nursing (NUR) courses must be completed with a minimum grade of C+/2.3 and all support courses to the program must be completed with a minimum grade of C/2.0 unless otherwise specified.
- Students are required to adhere to rules of the American Nursing Association (ANA) Nursing Code of Ethics.
- Additional criminal background checks may be conducted at any time during the program. Students may be required to have drug testing as well as additional criminal background checks and/or fingerprinting prior to the start of a clinical sequence as requested by specific clinical facilities. Any student found to have a positive drug screen for drugs prohibited by State of Michigan or Federal law (including marijuana) or controlled substances will be dismissed from the program. Failure to receive an acceptable criminal background/fingerprinting at any time, will result in dismissal from the program. Any cost, if indicated, for these checks is the responsibility of the student.
- Students in the Nursing (LPN to RN) program will be required to purchase special uniforms and supplies throughout the duration of the program.
- Students are required to submit health records annually while in the program.
- Students who are dismissed from the program may not be eligible to reapply to the program.

## Program Information Report

## Health Sciences

**Nursing, Licensed Practical Nurse to Registered Nurse (APNURL)****Associate in Applied Science Degree****Program Effective Term: Fall 2020**

This Licensed Practical Nursing to Registered Nurse (LPN to RN) program prepares students for the National Council Licensure Examination for Registered Nursing (NCLEX-RN). Credit earned in the nursing program may transfer to a bachelor's degree (BSN) completion program. Learning opportunities are in the classroom, simulation lab, clinical setting, and community. Students will be prepared to succeed in a dynamic healthcare environment.

**Applying for Admission to the Program:**

A formal application and acceptance to the program is required. Application packets may be downloaded from WCC's Student Connection, Health and Second Tier Program, information page: <http://www.wccnet.edu/studentconnection/admissions/health-second-program/>. Completed and signed applications must be submitted to the Health and Second Tier Admissions Office in the Student Connection, located on the second floor of the Student Center Building during the dates indicated on the application.

**Requirement After Acceptance**

Upon acceptance, students must purchase an account from a college-designated vendor to obtain a criminal background check and to track their health records. The criminal background check and health records must be submitted to the designated vendor. Specific information regarding the college-designated vendor, health records, and deadline dates will be included in the program acceptance letter and/or provided at the mandatory orientation session.

**Program Admission Requirements:**

WCC uses a competitive admission process for high demand programs in health care. WCC offers this LPN to RN program option every Fall semester for LPNs who have successfully completed the admission requirements for this program and prerequisites for NUR 134. Please see the application packet for the number of seats available each term. There are multiple requirements that must be completed prior to submitting an application for admission. Applicants are required to meet all admission criteria and will be ranked based on a point system. The best qualified applicants will be selected for admission to the program. Student residency will be a weighted factor in the process. Details regarding WCC's Admission to High Demand Programs policy including priority levels are on WCC's Board of Trustees page: <http://www.wccnet.edu/trustees/policies/2005/>.   - c. COM 101, COM 102 or COM 200 with a minimum grade of C/2.0.
  - d. ENG 111 with a minimum grade C/2.0.
5. Pass the current version of the Test of Essential Academic Skills, ATI-TEAS <http://nursing.wccnet.edu/teas/>, by achieving the following minimum scores:

Math proficiency - 60 percent or higher  
Reading proficiency - 70 percent or higher  
English and Language Usage proficiency - 60 percent or higher  
Science proficiency - 45 percent or higher

If repeated TEAS test attempts are needed to meet required scores, the highest subject score from each attempt will be applied towards admission requirements. Students are allowed three (3) attempts within five (5) years.
6. Signed Abilities Statement. WCC reserves the right to request, before or during the program, that students successfully demonstrate the specific physical and cognitive abilities related to the Nursing program.
7. Residency verification.

#### After Acceptance

1. Students are required to submit health records, undergo drug screening and complete a full background check paid to an outside vendor selected by the College.
2. Students must request up to fourteen (14) WCC prior learning credits and pay associated fees for their current LPN license/experience as needed to reach a minimum 60 credit hours. Nursing faculty will work with students to determine the correct number of hours.

**Program Information Report**

3. Students should be aware that the Michigan Board of Nursing may deny a license to an applicant who has been convicted of a crime or is addicted to drugs or alcohol.

**Continuing Eligibility Requirements:**

- Program courses are sequential and complemented with appropriate support courses.
- All Registered Nursing (NUR) courses must be completed with a minimum grade of C+/2.3 and all support courses to the program must be completed with a minimum grade of C/2.0 unless otherwise specified.
- Students are required to adhere to rules of the American Nursing Association (ANA) Nursing Code of Ethics.
- Additional criminal background checks may be conducted at any time during the program. Students may be required to have drug testing as well as additional criminal background checks and/or fingerprinting prior to the start of a clinical sequence as requested by specific clinical facilities. Failure to receive an acceptable drug test and/or criminal background/fingerprinting check at any time will result in dismissal from the program. Any cost, if indicated, for these checks is the responsibility of the student.
- Students in the Nursing (LPN to RN) program will be required to purchase special uniforms and supplies throughout the duration of the program.
- Students are required to submit health records annually while in the program.
- Students who are dismissed from the program may not be eligible to reapply to the program.

**Scoring and analysis plan:**

1. Indicate how the above assessment(s) will be scored and evaluated (e.g. departmentally-developed rubric, external evaluation, other). Attach the rubric.
  - a. Kaplan Readiness A is scored by the testing agency (a third party vendor). Scores are compiled and released to the Course Coordinator.
  - b. Concepts synthesis clinical evaluation tool (departmentally-developed evaluation tool using Pass or No Pass).
  
2. Indicate the standard of success to be used for this assessment.
  - a. 85% of students will pass the Kaplan Readiness A by their second attempt at 50% or higher. Note: \*60% on the Kaplan Readiness A Exam indicates the likelihood that students will pass the NCLEX-RN.
  - b. 95% of students will meet all performance criteria on concepts synthesis evaluation tool
  
3. Indicate who will score and analyze the data.
  - a. Kaplan Readiness A will be scored by a third-party vendor. Departmental faculty will review and analyze the data.
  - b. Concepts synthesis clinical evaluation tool. An alternate Departmental faculty will blind score the data and present data to the Course Coordinator of concepts synthesis course.
